

CITY OF RICHLAND

CLASSIFICATION TITLE: GENERAL CRAFTSWORKER (WASTEWATER MAINTENANCE)	JOB # 3006-WW	AFFILIATION: Affiliated (IUOE))
REPORTS TO: WATER MANGER	PAY GRADE: N/A	FLSA STATUS: Non-Exempt

GENERAL SUMMARY:

This is the journey-level position in the Craftsworker classification in Wastewater. Under the direction of the Wastewater Manager or designee, applies skills from a variety of crafts toward the construction, maintenance and repair of the City's wastewater or stormwater systems. Subject to after hours and weekend work as needed. Safely performs all job functions.

ESSENTIAL JOB FUNCTIONS:

Duties listed are representative of the types of tasks and functions performed by positions of this class of work. Percentage of time and rank of importance of duties are not listed since both will vary by position and work location. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Trains, directs, oversees and provides guidance to assigned entry-level staff executing ongoing maintenance programs and special projects in the division.
- Operates heavy equipment including backhoes, boom trucks, jet trucks, jet/vac trucks and TV trucks.
- Operates related computer equipment and various software programs to assigned activities.
- Operates hand and power rodding machines, and other hand/power tools and equipment in the repair and maintenance of the wastewater and stormwater systems and related facilities.
- Lays concrete and repairs fences and landscaping as a result of utility work.
- Provides training, direction and oversight to assigned staff on specific assignments.
- Performs work functions at the Waste Compost Facility as assigned.
- Performs other duties as assigned.

KNOWLEDGE, SKILLS & ABILITIES:

Specific and realistic knowledge, skills and abilities typically necessary to competently perform this job.

Knowledge of:

- Applicable Federal, State, and local laws, rules, codes and regulations related to assigned activities.
- Modern office practices, methods, procedures and equipment.
- Record-keeping principles, procedures, and techniques.
- Laws, regulations, policies and procedures applicable to sewer construction and safety and wastewater system operation and maintenance.
- Methods, procedures and practices associated with the repair, maintenance, and routine monitoring/inspection of the wastewater collection system, stormwater system, wastewater treatment plant equipment, lift stations and other related facilities.
- Applicable health and safety policy, procedures and practices.

Skills and abilities to:

- Learn, read, interpret, and apply and explain rules, regulations, policies and procedures.
- Assist with the training and directing of assigned staff.
- Operate heavy equipment for assigned tasks.
- Follow health and safety regulations.
- Observe legal and defensive driving practices.
- Communicate effectively both orally and in writing; comprehend and use English effectively including producing all forms of communications in a clear, concise and understandable manner to intended audiences.
- Organize and prioritize a variety of projects and multiple tasks in an effective and timely manner; work independently with little or no direction, set priorities and meet deadlines.
- Operate a variety of modern office equipment and personal computers in a windows based computing environment, using standard or customized software application programs appropriate to assigned tasks.
- Use tact, initiative, prudence and independent judgment within general policy and procedural guidelines.
- Establish, maintain and foster positive and effective working relationships with those contacted in the course of work. Provide continuous effort to improve operations, decrease turnaround times, streamline work processes, and work cooperatively and jointly to provide quality customer service.

EDUCATION & EXPERIENCE REQUIREMENTS:

- High school diploma or GED.
- Four (4) years of increasingly responsible experience in the construction, maintenance and repair of wastewater or stormwater systems.

LICENSES, CERTIFICATIONS & OTHER REQUIREMENTS:

- Valid driver's license including Class "A" CDL with tanker endorsement upon hire date and must maintain throughout employment

COMPETENCIES:**Foundational**
