Knowledge of:

- Applicable Federal, State, and local laws, rules, codes and regulations related to assigned activities.
- Modern office practices, methods, procedures and equipment.
- Record-keeping principles, procedures and techniques.

- Methods, procedures and practices associated with the repair and maintenance of streets.
- Construction safety practices, including traffic control safety.
- Proper tools and equipment required for performance of duties.
- Applicable health and safety policy, procedures and practices.

Skills and Abilities to:

- Learn, read, interpret, apply and explain rules, regulations, policies and procedures.
- Follow oral and written instruction.
- Follow health and safety regulations.
- Observe legal and defensive driving practices.
- Assist with the training and evaluation of performance of assigned staff.
- Answer customer complaints and inquiries in a professional manner.
- Communicate effectively both orally and in writing; comprehend and use English effectively including producing all forms of communications in a clear, concise and understandable manner to intended audiences.
- Organize and prioritize a variety of projects and multiple tasks in an effective and timely manner; work independently with little or no direction, set priorities and meet deadlines.
- Use tact, initiative, prudence and independent judgment within general policy and procedural guidelines.
- Establish, maintain and foster positive and effective working relationships with those contacted in the course of work.
- Operate a variety of modern office equipment and personal computers in a windows based computing environment, using standard or customized software application programs appropriate to assigned tasks.
- Provide continuous effort to improve operations, decrease turnaround times, streamline work processes, and work cooperatively and jointly to provide quality customer service.

EDUCATION & EXPERIENCE REQUIREMENTS:

- High school diploma or equivalent.
- Six (6) years of increasing responsible experience in City street maintenance and construction.
- Or an equivalent combination of education, training and experience that will provide the necessary knowledge, skills and abilities to successfully perform the essential functions of the job.

LICENSES, CERTIFICATIONS & OTHER REQUIREMENTS:

- Valid Washington State driver's license including Class 'A' CDL with tanker endorsement.

WORKING CONDITIONS

The physical demands described below are representative of those that must be met by an employee to successfully perform the essential functions of the job. The work environment characteristics described are representative of those an employee encounters while performing

the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Environment:

- Typically performed in the field, which requires travel daily from site to site to perform maintenance and repair activities and checking on construction.
- Work is performed on city streets where workers encounter traffic hazards.
- Workers perform work at street level and may be required to work below ground.
- The position involves work outdoors on a year round basis and is subject to extreme weather conditions.
- Work areas may be dirty and strewn with construction debris. Employees will encounter dust, noise and fumes typically associated with construction or maintenance work.
- The noise level in the work environment is can vary from extremely loud, to moderate, to quiet depending on type of work being performed.
- Will be exposed to moving mechanical parts, vehicles, and heavy equipment when working within a construction site.
- Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies/procedures.

Physical Demands:

- Operate a motorized vehicle or equipment, which may include inclement weather conditions.
- Ability to sit, stand, walk or bend for extended periods of time, reach with arms and hands, kneel and stretch, occasionally crawling in tight spaces, as well as the ability to climb ladders and stairs.
- Ability to walk through construction sites at all stages of completion, and negotiate uneven terrain.
- Ability to lift, push, carry and pull materials and objects weighing up to 50 lbs. on a routine basis and up to 90 lbs. as needed using proper lifting techniques.
- Manual dexterity of hands and fingers to include repetitive grasping and reaching.
- Good vision to read print and a computer screen.
- Ability to hear and speak to communicate in person and over the telephone.

SELECTION GUIDELINES:

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

The job classification description does not constitute an employment agreement between the City of Richland and employee and is subject to change by the City as the needs of the City and requirements of the job change.
