Shows sensitivity to the needs of others. Demonstrates ability to build rapport and facilitates mutual understanding.
- **Work Safely:** Knowledge and application of relevant safety requirements that apply to the specific work being done. Recognizes and mitigates safety hazards on the job. Observes rules and regulations to comply with personal and workplace safety standards. Works to create a hazard-free, accident-free environment.

**WORKING CONDITIONS:**

*The physical demands described below are representative of those that must be met by an employee to successfully perform the essential functions of the job. The work environment characteristics described are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

**Environment:**

- Typically performed in the field, which requires travel daily from site to site to perform maintenance and repair activities and checking on construction.
- Work is performed on city streets where they may encounter traffic hazards.
- The work is performed at street level, but craftworkers may be required to work below ground in manholes and lift/pump stations.
- The position involves work outdoors on a year round basis and is subject to extreme weather conditions.
- Work requires inspection of construction sites, which may be dirty and strewn with construction debris.

- The noise level can vary from being extremely loud, too moderate, to quiet depending on type of work being performed and tools and equipment being used.
- May be exposed to moving mechanical parts, vehicles, and heavy equipment when working within a construction site.
- Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies/procedures.

**Physical Demands:**

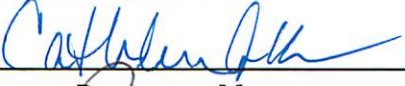

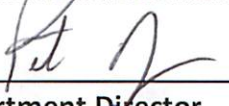

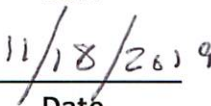

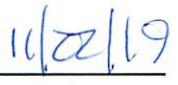

- Must be able to regularly and punctually attend work at the office or other assigned locations.
- Operate a motorized vehicle, which may include inclement weather conditions.
- Operate standard equipment for assigned tasks.
- Ability to sit, stand, walk, bend, reach with arms and hands, kneel and stretch, occasionally crawling in tight spaces, such as manholes, lift station piping and pumps, plant equipment, as well as the ability to climb ladders and stairs, ride on platform hoists.
- Ability to walk through construction sites at all stages of completion, and negotiate uneven terrain.
- Ability to lift, push, carry and pull materials and objects weighing up to 50 lbs. on a routine basis and up to 90 lbs. as needed using proper lifting techniques.
- Manual dexterity of hands and fingers to include repetitive keyboarding, grasping and reaching.
- Good vision to read print and a computer screen.
- Ability to hear and speak to communicate in person and over the telephone.

**SELECTION GUIDELINES:**

*The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.*

*The job classification description does not constitute an employment agreement between the City of Richland and employee and is subject to change by the City as the needs of the City and requirements of the job change.*
