

CLASSIFICATION TITLE: Crime Analyst	JOB NUMBER: 7175	AFFILIATION: Unaffiliated (Non-Union)
REPORTS TO: Police Professional Staff Supervisor	PAY GRADE: 18	FLSA STATUS: Non-Exempt

GENERAL SUMMARY

Performs intermediate technical work collecting and analyzing data from a variety of sources related to criminal activity, and related work as apparent or assigned. Work is performed under the limited supervision of the Police Professional Staff Supervisor or designee (supervisor).

CORE VALUES

All employees are expected to model and foster the City of Richland's core values in the performance of their duties and their interactions while representing the City. The values of *Teamwork*, *Integrity*, and *Excellence* promote and maintain a high level of morale and productivity, and are the tie that binds all City employees together, across all functions.

ESSENTIAL JOB FUNCTIONS

To be successful in this position, an individual must be able to perform each essential function satisfactorily. Additional duties of a similar nature and level may also be assigned. The City may make reasonable accommodations to enable a qualified individual with disabilities to perform the essential functions.

- Analyzes raw crime data and develops recommendations to improve law enforcement effectiveness based on interpretation of patterns and trends in criminal activity; forecasts criminal trends based on computer analyses of current and historical crime data; proactively identifies and seeks solutions to problems; assists with tracking department performance measures and prepares reports assessing and analyzing performance measure data.
- Designs and maintains computer databases to compile, store, and describe crime data to include, but not limited to, compiling statistical information on calls for service and response times, identifying evolving or existent patterns on calls for services, and identifying evolving or existing crime patterns by geographical area and by time.
- Initiates and disseminates crime analysis briefings, reports, bulletins, and presentations on crime statistics and trends to aid in tactical, strategic, and

administrative planning; prepares charts, graphs, maps, and other visual materials to illustrate crime patterns, trends, and statistical findings; ensures that pertinent data and information is distributed, utilized, understood by, and communicated to all users.

- Coordinates crime information gathering and analysis internally and with other law enforcement agencies in the region; works closely with area crime analysts, detectives, and officers to actively identify and analyze multi-jurisdictional crime series and trends, and develop and coordinate response efforts to address them.
- Attends regularly scheduled meetings with area investigators, gang intelligence sharing, crime analyst meetings, and other formal and informal functions as required.

KNOWLEDGE, SKILLS AND ABILITIES

The requirements listed below are representative of the knowledge, skill, and/or ability required to successfully perform the essential functions of the position.

Knowledge of:

- Applicable Federal, State, and local laws, rules, codes, and regulations related to assigned activities.
- Department's mission, methodologies, and policies in general, including specific procedures and deadlines covering the vast variety of paperwork in the handling of police records.
- Roles and responsibilities of police officers and command staff.
- Methods, procedures, and techniques used in statistical analysis and research design.
- Principles and practices of professional and technical writing.
- Broad range of computer software packages relevant to the work (e.g., spreadsheets, mapping/GIS, statistical analysis, CAD, word processing, desktop publishing, web page design, etc.).
- Modern office practices, methods, procedures, and equipment.
- Statistical record-keeping principles, procedures, and techniques.
- Correct English usage, grammar, spelling, punctuation, and vocabulary.
- Public speaking techniques.

Skills and Abilities to:

- Learn, read, interpret, and apply and explain rules, regulations, policies, and procedures.
- Adhere to laws and policies related to accessing, reviewing, and sharing information that is protected by law, whether in print or electronic form.
- Compile, prepare, and present complex and detailed statistically based reports.

- Analyze and use data to propose changes, improvements, and enhancements to current operations; develop, present, and advocate recommendations, policies, and procedures.
- Demonstrate a strong sense of personal ethics along with a high degree of professional judgment and discretion.
- Maintain a high degree of confidentiality.
- Maintain accurate logs, records, files, and filing systems pertinent to option class.
- Communicate effectively both orally and in writing; comprehend and use English effectively including producing all forms of communications in a clear, concise and understandable manner to intended audiences.
- Organize and prioritize a variety of projects and multiple tasks in an effective and timely manner; work independently with little or no direction, set priorities, and meet critical time deadlines.
- Operate modern office equipment including personal computer equipment using standard or customized software application programs appropriate to assigned tasks.
- Use tact, initiative, prudence, and independent judgment within general policy, procedural, and legal guidelines.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

SPECIAL REQUIREMENTS

- Obtain Certification in the use of Law Enforcement databases (local RMS, CAD, WSP ACCESS, WACIC/NCIC, JIS, DAPS, SECTOR, etc.) within six (6) months of hire.
- Valid driver's license.

EDUCATION AND EXPERIENCE

High school diploma or GED with coursework in criminal justice, statistics, or related field and one (1) year experience performing computerized data collection and analysis, and one (1) year experience in the design and management of databases.
