

CLASSIFICATION TITLE: Permit Technician I	JOB NUMBER: 7104	AFFILIATION: Unaffiliated (Non-Union)
REPORTS TO: Planning Manager	PAY GRADE: 15	FLSA STATUS: Non-Exempt

GENERAL SUMMARY

Performs basic administrative support work processing and issuing permits, providing customer service, maintaining records, and related work. Work is performed under the moderate supervision of the Planning Manager (supervisor).

CORE VALUES

All employees are expected to model and foster the City of Richland's core values in the performance of their duties and their interactions while representing the City. The values of *Teamwork*, *Integrity*, and *Excellence* promote and maintain a high level of morale and productivity, and are the tie that binds all City employees together, across all functions.

ESSENTIAL JOB FUNCTIONS

To be successful in this position, an individual must be able to perform each essential function satisfactorily. Additional duties of a similar nature and level may also be assigned. The City may make reasonable accommodations to enable a qualified individual with disabilities to perform the essential functions.

- Receives, reviews, and processes plans and applications for building, planning, and public works permits, and for other City departments as assigned; applies appropriate policies and procedures to determine completeness of applications and verifies application components are submitted properly; assesses fees and charges based on requests for service; applies decision-making skills for routing various projects to certain City departments and outside jurisdictions.
- Issues and approves non-complex permits for mechanical, plumbing, roofing, siding, or no-fee permits; issues all building, planning, and public works permits, and permits for other City departments as determined, and explains requirements and processes of the inspection request procedure to customers; follows up with permit applicants and permit holders regarding their project's status.
- Inputs, retrieves, and updates computer data and text information related to construction, permits, inspections, codes, and zoning violations, and building and construction activity; receives and processes inspection requests from builders, contractors, and citizens using computer software; adds addresses and new

building construction data into the City's GIS system; updates and maintains the Development Services website (Building Division and Planning Division).

- Monitors temporary Certificates of Occupancy to ensure compliance and deadlines are met.
- Responds to customer inquiries, and requests for service and information; receives complaints related to the building and planning/zoning codes and initiates review by Code Enforcement; receives and posts payments for building permits, public works permits, planning applications, and energy service fees.
- Performs a variety of general clerical and public relations duties; prepares a variety of statistical and narrative reports; assists with public records requests involving building and planning permits.
- Performs general administrative duties; files, schedules appointments, composes, types, and proofreads a variety of documents.
- Attends Board of Adjustment, Planning Commission, and Hearing Examiner meetings; serves as clerk for Board of Adjustment and Planning Commission.

KNOWLEDGE, SKILLS AND ABILITIES

The requirements listed below are representative of the knowledge, skill, and/or ability required to successfully perform the essential functions of the position.

Knowledge of:

- Applicable Federal, State, and local laws, rules, codes and regulations related to assigned activities.
- City and department organization, operations, policies, and objectives.
- Basic terminology, practices, and procedures used in building trades and construction.
- Correct English usage, spelling, grammar, and punctuation.
- Modern office practices, methods, procedures, and equipment.
- Record-keeping principles, procedures, and techniques.
- Business letter writing and basic report preparation.
- Principles and procedures of manual and automated record keeping.
- General statistical procedures.
- Principles and procedures of accounting and bookkeeping.
- Interpersonal skills using tact, patience, and courtesy.
- Telephone techniques and etiquette.

Skills and Abilities to:

- Learn, interpret, and apply department policies, procedures, organization, and operating details.
- Deal tactfully and courteously with the public in responding to technical questions and handling difficult customer complaints.

- Input, update, and maintain computerized data and text records, and perform data entry.
- Type 40 words per minute with accuracy.
- Understand and carry out oral and written directions.
- Communicate effectively both orally and in writing; comprehend and use English effectively including producing all forms of communications in a clear, concise, and understandable manner to intended audiences.
- Operate a variety of modern office equipment to include, but not limited to, printers, copiers, calculators, multi-line phone systems, scanners, and fax machines, or other specialized equipment, and personal computers in a Windows-based computing environment using standard or customized software application programs appropriate to assigned activities.
- Organize and prioritize a variety of projects and multiple tasks in an effective and timely manner; work independently with little or no direction, organize own work, set priorities, and meet critical time deadlines.
- Use tact, initiative, prudence, and independent judgment within general policy, procedural, and legal guidelines.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.
- Provide continuous effort to improve operations and work cooperatively and jointly to provide quality customer service.
