Total Job Cost & City of Richland Approved Rebate:	Total Job Cost (including tax)		\$	
	Rebate Credited to Customer		\$	
	Total Cost to Customer (including tax)		\$	

- I certify that all energy efficiency measure information stated on this application is correct and that measurements are accurate.
- All measures have been installed in a safe, effective, workman-like manner according to the current program specifications.
- I understand that I will receive a Richland Energy Services rebate refund upon job approval and completion.
- I agree to allocate all Richland Energy Services rebates to the customer as a line-item credit on their invoice.
- I have supplied this customer with a copy of the warranty required for the installed measure(s).
- I certify that this home's primary heating system is powered by electricity.
